## UPDATE ON DESA ACTIVITIES

### Naval Regimental System (NRS)

[Back to Top](#)

1. The Naval Regimental System (NRS) has been functional since Dec 2010 to provide support to spouse/ NoK/ dependents after the demise of the veteran, immaterial of whether the incident occurred whilst in harness or after retirement. Through vigorous involvement of NHQ and Commands, including allied Naval Units, NRS has emerged as a platform, where region-wise, issues pertaining to widows/their NOKs, including retired IN personnel, are being dealt with, in a speedy and professional manner. Processing various welfare / entitlement issues linked with death of a service personal while in service or post retirement and providing maximum benefits to the widows/ their NOKs on priority are case in point.

2. **Demise Grant.** In a related issue, it is highlighted that on demise of an ex-serviceman, the widow / next of kin is entitled to a death grant of Rs 30,000 (for officers and sailors) wef May 2016. Towards this, the widow/ NoK is required to forward copy of Death Certificate, copy of Discharge Book/ Ex Serviceman identity card/ any other document which certifies/ authenticates the relationship with the ESM and a crossed cheque (for directly debiting the amount to the bank), to the concerned CRSOs with a copy to 'The Directorate of Ex Servicemen Affairs, 6<sup>th</sup> Floor Chanakya Bhawan, Chanakyapuri, New Delhi -110021 for processing the case and authorising payment expeditiously.

3. **Update on Widow's Database.** In order to enable NRS to reach out to all widows/ NoK/ dependents of departed colleague, compilation of widows' database is being undertaken by CRSOs. This has been advertised through newspapers also. However, details in respect of only 78% of naval widows have been captured so far. The following clarification regarding rates of subscription of ECHS contribution to be paid by ESM/ Refund of FMA in certain specific situation where doubts have been raised:-

# NAVY FOR LIFE AND BEYOND

12

<b>ser</b>	<b>Point of doubt</b>	<b>Clarification</b>
(a)	For ESMs who retired between 01 Apr 2013 to 31 Mar 2004 and whom FMA was being paid but was stopped and ECHS membership was not given due to non recovery of subscription, what should be the rate of subscription to be deducted from them at the time of applying for ECHS membership and how should the FMA that was be refunded?	(i) Rates of the subscription of ECHS contribution that was applicable at the time of their retirement may be deducted. (ii) Payment of FMA which was stopped may be claimed separately by the ESMs.
(b)	ESM who retired between 01 Apr 2003 to 31 Mar 2004 and from whom subscription was deducted in PPO but the process of membership of ECHS was not completed in terms of submission/processing of application from. These ESMs are now approaching for membership. Whether ECHS subscription already deducted is to be treated as final, or should they be asked to deposit the difference in old and new rates of ECHS subscription?	Once subscription has been deducted and endorsed in PPO, old rates will be applicable for this category of ESM, irrespective of the date on which they apply for membership.
(c)	Whether old rates applicable at the time of their retirement or the new rates applicable at the time of application should be paid by those ESMs who retired between 01 Apr 2003 to 31 Mar 2004, and in whose case ECHS contribution was not deducted and FMA has been paid due to oversight/error in PPO.	New rates of subscription prevalent at the time of application will be applicable for ESM who apply for ECHS at a later date.
(d)	From who should the ECHS subscription be deducted in cases where both husbands and wife are serving in the Armed Forces and they retire at different dates?	The scheme being compulsory in nature, husband/wife who retires first, should pay the contribution and avail benefits of the Scheme and no subscription should be deducted from husband/wife who retires later. He/She will be eligible for benefits under the Scheme as a spouse.
